#### Additional Lyrics

2. Catch me at the X with OG at a Yankee game  
Dude, I made the Yankee hat more famous than a Yankee can.  
You should know I bleed blue, but I ain't a crip though,  
But I got a gang of brothas walking with my clique though.

Welcome to the melting pot, corners where we're selling rocks,  
Afrika bambaataa, home of the hip-hop,  
Yellowcab, Gypsy cab, dollar cab, holla back,  
For Foreigners it ain't for they act like they forgot to act.

Eight million stories out there and they're naked.  
City, it's a pity half of y'all won't make it.  
Me, I gotta plug Special Ed, I got it made,  
If Jeezy's paying LeBron, I'm paying Dwayne Wade.

3 dice, Ceel Lo, 3-Card Monte,  
Labor Day parade, rest in peace Bob Marley.  
Statue of Liberty, long live the World Trade,  
Long live the King, yo, I'm from the Empire State that's...

3. Lights is blinding, girls need blinders  
So they can step out of bounds quick.  
The sidelines is blind with casualties, who sip you life casually,  
Then gradually become worse. Don't bite the apple, Eve.

Caught up in the in-crowd, now you're in style,  
And in the winter gets cold, en vogue with your skin out,  
The city of sin is a pity on a whim,  
Good girls gone bad, the city's filled with them.

Mami took a bus trip, now she got her bust out,  
Everybody ride her, just like a bus route.  
Hail Mary to the city, you're a virgin,  
And Jesus can't save you, life starts when the church in.

Came here for school, graduated to the high life.  
Ball players, rap stars, addicted to the limelight.  
MD, MA got you feeling like a champion,  
The city never sleeps, better slip you an Ambien.
